Bricks making at Igaia

Bricks making at Igaia for construction of poultry structures. We are starting with the layers and brooding houses. Praise God for this progress towards sustainability.

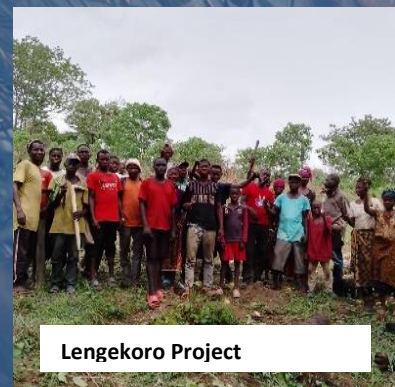

CRC at Bendukoro village

The persecuted CRC at Bendukoro village, temporary church building completed and worship started there already. Praise god for provision.

Community store at Firawa

This is the Community store at Firawa where CRC church is using for their weekly services and activities. Wind took off the roof, oh my God this is our challenge. Please; people of God we need your financial support and prayers. Thank you very much, Pastor John S Kargbo, Firawa.

Lengekoro Project

Lengekoro Project: Sustainable Development in Agriculture. The background of this project is to create sustainable development within the church. The need to embark on Agriculture like cow-pen, rice and vegetables to improve the church and the ministry through supplying them with this types of products that we have started to grow. The aim is to help the women by supplying them through their annual conference...

Prayer Request;

1. For God's love, favour and grace in the life of CRC members

2. For financial support from friends, partners that God may touch them.

3. Prayer for the provision of tools, materials and good workmanship.

4. Prayer for the Lengekoro Project: Sustainable Development in Agriculture.

5. Prayer for church growth

MONTHLY NEWSLETTER

Lengekoro Project

...without buying anything else were just to us at Lengekoro CRC and also other CRC program, this project was started for the welfare of the church.

National election day

Our country went to the national election on Saturday 24th June. The elections were relatively calm with few violence in some part of the country. The results were out for the council chairpersons, councillors, members of Parliament, mayor and president. The incumbent president won though the result was rejected by the main opposition leader.

Grants receivers from Resonate

The ten pastors supported with the grants received from Resonate. This is gears towards empowering these pastors for effective pastoral care and sustainable development.

CRCNA Synod 2023

I was opportune to attend the CRCNA Synod 2023, held at the Calvin Campus. During my stay in Grand Rapids, I gave a summary report to Synod about the work in Sierra Leone. Met with various agency heads, visited the mission headquarters and made a short video recording in appreciation to our continued partners.

Prayer Request;

1. For God's love, favour and grace in the life of CRC members

2. For financial support from friends, partners that God may touch them.

3. Prayer for the provision of tools, materials and good workmanship.

This church building was collapsed by the heavy wind storm in the month of June.
